

## SEPTEMBER MEETING SPONSOR IS ALL CANADIAN TOOLS

This month's sponsor is All Canadian Tools. Doug Davies will be in to talk to us about 2 new products that they have to offer. The first is Battery Equaliser which is a non-corrosive, non flammable, water base liquid battery treatment formulated to extend the life and performance of any new or used lead acid battery. Battery Equaliser improves battery chemistry and returns batteries as close to new as possible. To see how and why it works you'll have to come to the meeting. The second product is Deep Lube 2 which is a environmentally friendly penetrant that is much safer to use in the shop, safer for the environment and still works very well.

Please come out and see what they have to offer.

We hope to kick off the new season with a well attended meeting.

## New Website

The new website is up and running and is up to date. The new web address is [www.windsorchathamats.com](http://www.windsorchathamats.com). Take a look and if there are any suggestions on how to make it better or things you would like to see on it please let us know by e-mail at:

## CFMS

The 2010 CFMS will be held Tuesday May 11th and Wednesday May 12<sup>th</sup>. The planning for the 2010 CFMS is underway. Dave Ongaro has taken over Rod's position as general manager. The location has also changed to offer a much nicer and more convenient setting for the seminar. We are still looking for a replacement for Mike.

For more information visit the website.

## Membership Dues

We are still behind collecting membership dues. They were due by Jan 1 2009 and the invoices are out. If you have a new address that you would like the invoice sent to please let us know. We will be handing them out at the meeting and it is attached to this newsletter. If you could take care of the invoice when you receive it, it would be very helpful.

Thank you very much and we look forward to another year together.
